Box 428
Sausalito, Ca. 94925

Dear Mr. Brand:

For your interest, a copy of EXPLORERS LTD. SOURCE BOOK, which Harper publishes 14 November. This catalog covers outdoor fields only and might be of some interest for your project. I think I heard from Al Perrin that you were in correspondence with the Explorers (ETM, as it was then called) some years back.

Good wishes with the Epilog.

Best,

Nach Wax

Nahum Waxman

P.S. You made your distribution arrangements yet?
